

## FWD-100SS-1

*Efficient, safety and reliable  
Supreme grinding efficiency  
Silent DC motor  
Hygienic & convenient  
Warranty 7-Year in-home service*

Knock-out for dishwasher drain

Measurements are in Millimeter

A : 350      B : 205  
C : 141      D : 175  
E : 75        F : 165

### Features

- 1 Horsepower with high-speed permanent magnet motor 5900r.p.m.
- Fast grinding technology
- Corrosion proof stainless steel
- Manual reset for overload protection
- Handy wall switch operation
- Easy and convenient installation
- Trendy and unique gun metal color
- With built in air switch

### Specifications

- Motor Speed : 5900 rpm
- Horsepower : 1HP
- Voltage : 220 - 230V
- Frequency: 50 Hz
- Current : 3.0 A
- Type of feed : Continuous
- Motor type : Permanent magnet DC motor
- Sound shell: Yes
- Overload protection : Manual reset
- Individual shipping weight : 6.0 kg

### Materials

- Sink flange : Stainless steel
- Hopper : Glass filled nylon
- Swivel impeller : Stainless steel
- Grind ring : Stainless steel
- Turntable : Stainless steel

### Optional accessories

- Lock Mount
- Sink Baffle
- Stopper
- Flange
- Plumbing Kit
